

## **Parliamentary Committee**

- What was its remit?
- Why was it called?
- What wider issues are at play in this topic (background)?

## **Submissions**

- Who submitted? Which sectors?
- What was the quality of submissions? Did any of them surprise you?
- What were the main themes?
- Was there a wide variance in views?
- How do the views relate to the identity of the authors?

## **Recommendations**

- How will you decide on the 3 main points?
- What support/evidence do you need to justify your choices?
- You will need to present this as verbal feedback in the next class. (5 mins)
